List of Ingredients

Calcium Carbonate, Potassium Chloride, Distillers Dried Grains/Solubles, Salt, Mineral Oil, Manganese Sulfate, Zinc Sulfate, Ferrous Sulfate, Copper Sulfate, Cobalt Sulfate, Calcium Iodate, Artificial Color, Ethylenediamine Dihydroiodide, Vitamin A Supplement, Vitamin D-3 Supplement, Vitamin E Supplement.

Feeding Directions

Feed 1-3 ounces of FEEDLOT MINERAL GRAN per head daily with an appropriate PEET'S feedlot supplement to balance cattle finishing rations containing high levels of grain or grain by-products. Consult your PEET'S Representative for ration balancing services to provide the optimum usage of grain and roughage.

Caution

CAUTION: Due to the copper level, do not feed to sheep. Follow label directions. The feeding of supplemental selenium should not exceed 0.3 ppm of total diet. The addition to feed of higher levels of this premix containing selenium is not permitted.
