Vitamin E	40 IU/lb. Min.

Ingredients

Soybean Meal, Calcium Carbonate, Dried Cane Molasses, Salt, Lignin Sulfonate, Dried Aspergillus oryzae Fermentation Product, Zinc Sulfate, Ferrous Sulfate, Copper Sulfate, Manganese Sulfate, Calcium Iodate, Cobalt Sulfate, Sodium Selenite, Monocalcium Phosphate, Dicalcium Phosphate, Propionic Acid (a preservative), Vitamin D-3 Supplement, Vitamin E Supplement, Vitamin A Supplement.

Sizes Available

50 lb. (22.7 kg) bag

Product

44912

Key Benefits:

The correct balance of required minerals and vitamins.

Allows for use in a wide variety of situations and species. Great as a general purpose mixing supplement at your mill.

The Amaferm® advantage.

Amaferm is a natural feed additive that acts as a prebiotic increasing digestibility to maximize the energy value of feed.

What value does it have in the animal?

Provides a natural source of quality protein required for growth and sustained health.

Caution

Due to the copper level, do not feed to sheep. Follow label directions. The feeding of supplemental selenium should not exceed 0.3 ppm of total diet. The addition to feed of higher levels of this premix containing selenium is not permitted.
