

VITALIZE[®] *a good gut feeling*

Alimend[®]

24/7 EQUINE STOMACH COMFORT

With wellness-boosting AO-Biotics[®] and gut-friendly MHB3[®] Hyaluronan

new and improved formula

VITALIZE[®] Alimend[®]

24/7 EQUINE STOMACH COMFORT

Vitalize[®] Alimend[®] is a natural product that provides 24/7 stomach comfort and relieves equine gastric issues commonly associated with training, traveling, and performance without altering stomach pH or hindering digestion.

It works with the horse's biology, not against it, and does not alter stomach pH. Instead, it naturally utilizes the mucoadhesive properties of our new, proprietary formula which includes:

- MHB3[®] Hyaluronan: patented and proven through pre-clinical and clinical research to support gastric health & GI tissue in horses.
- *H. erinaceus* (Lion's Mane) extract: an extract rich in beta glucan content that supports enhanced gastroprotection.
- AO-Biotics[®]: BioZyme[®]'s research-proven, natural prebiotic designed to boost animal resilience to challenges.

Alimend is safe for continuous daily use, complies with equine anti-doping regulations, and contains only fully traceable ingredients.
